OPNS Informatics

Information Technology represents a piece of the health care puzzle. It's more than computers and tablets.

It involves strategic planning, incorporates all aspects of each program and initiative to more efficiently guide patients through the Patient Centered Medical Home Neighborhood.

OPNS Website

Has your office utilized the OPNS Website? Time and time again, first time visitors are shocked at the amount of resourceful information made available to OPNS physicians and office staff.

Participate in the 2016 OPNS Website Holiday Scavenger Hunt!

Look on Page 2 for details on how to participate and return responses to OPNS to place your name in a drawing for a 2016 Holiday Prize. (Two \$25 Gift Cards)

The December Informatics Digest will explain how the OPNS Website can assist your practice. From physician rosters to Town Hall Webinars, the content is updated daily to help provide OPNS Members with the most up to date information available.
