## DESCRIPTION

The ASAM Treatment of Opioid Use Disorder Course covers all evidence-based practices and medications for treating patients with opioid use disorder.

Course Format: 8 hours live

This training satisfies eight hours of education requirements for providers to qualify for a DEA DATA2000 waiver. Upon completion of this course, physicians qualify for the waiver to prescribe buprenorphine in an office-based setting. NPs and PAs can qualify after completing an additional 16 hours provided by ASAM, the American Association of Nurse Practitioners, and the American Academy of PAs.

## PAYMENTS FOR ATTENDANCE

The first 15 Providers attending the full 8-hours  
will be paid for the day as follows:

Physicians (MD, DO) \$500

Advanced practice providers (NP, PA) \$250

(Available attendance payments are on first-come-first-service basis)
