Oakland Physician Network Services is pleased to provide support and offer many great opportunities for all offices. Everyone is welcome to attend and we strongly encourage your continued participation.

In order to keep our programs running smoothly, free, and/or low cost, we have changed the registration process for all **OPNS** events going forward.

Seating for events is limited and **PRE-REGISTRATION IS REQUIRED.** To ensure that a spot is reserved for you, an email confirmation will be sent to the email that you provided on the registration form. Should you register and then fail to show, we reserve the right to not hold a seat for you at future presentations.

If you do not receive an email confirmation after submitting your registration form, please contact Sandy Harris at aalvarez@opns.org or call at **248-682-0088 ext. 116**. Do not assume that you are registered without an email confirmation.

On the day of the event, attendees with confirmed registrations will be seated first and those without e-mail confirmations will be admitted **ONLY** if seating is available.

Thank you in advance for your cooperation.
