

## COVID-19 Testing

Testing at Hospital Health Systems is limited to specific CDC criteria. Best option for testing is State Fair Grounds. Best option for First Responders is Clarkston Medical Group. Best option if someone experiencing moderate to severe symptoms or high risk or meet criteria, contact a Health System. There may be more Urgent Cares testing, someone can contact urgent care in their area (some St. Joe Urgent Cares, and Health Urgent Care, Village Health in Washington twp.)
