**REMEMBER!**

Your **PCP** is the best source for obtaining the most appropriate type of care when a medical need arises. He or she will either schedule an appointment or direct you to a specialist, hospital or **type of care** that best fits your need.

*February 2018*

**Mission Statement**

To be the premier integrated health care delivery system in Southeast Michigan, recognized by our patients, physicians, providers and payors as providing the highest value in care and services.

## Where Do I Go for Medical Care ?

Contact your **primary care physician (PCP)** when you need immediate medical care. You can either schedule an appointment or speak with him/her for advice about the most appropriate type of care for the majority of medical situations. Most doctors are also available by telephone after hours to discuss your medical concerns.

Go to an **Urgent Care Center** if you need Medical Care **today**, your doctor's office is closed **and** your medical concerns are **NOT** life-threatening.

EXAMPLES include:

- Sprained ankle
- Ear infections
- Fever or flu like symptoms
- Allergic reactions, minor burns or injuries
- Broken bones
- Coughs, colds, sore throats
- Animal bites

Go to the nearest **Emergency Room** or dial **911** if you need Medical Care for a **life-threatening** condition.

EXAMPLES include:

- Chest pain/Difficulty breathing
- Severe bleeding
- Head injury
- Loss of consciousness
- Sudden severe headache/loss of function

**\*Remember to request a copy of your report be sent to your doctor regarding your recent visit to the Urgent Care or Emergency Room.**

## Urgent Care Centers

Urgent Care Centers are conveniently located and provide cost efficient, professional care. Normally urgent care centers are open for extended hours and are available on a first-come, first-serve basis. **Urgent Care Centers** focus on diagnosing and treating **conditions** that are **not life-threatening**.
